? Free Car Removal Auckland-Wide

One of the biggest concerns when selling an old or non-running car is how to transport it. We take care of that for you! We provide free towing and car removal services across Auckland - you don't have to worry about extra costs.

? Hassle-Free Selling Process

We make selling your car quick and easy with our four-step process:

Contact Us - Call 0800 600 502 or email info@japanesecarwrecker.co.nz with your car details (make, model, year, condition).

Get a Free Quote - Our experts will assess your vehicle and provide you with a fair cash offer instantly.

Schedule Pickup - If you accept the offer, we arrange a free pickup at a time that suits you.

Get Paid on the Spot - We come to you, remove the car, and pay you in cash immediately.

? We Buy All Types of Vehicles

No matter the make, model, or condition, we buy all vehicles, including:

?? Cars, trucks, vans, SUVs, and 4x4s

?? Japanese, European, and all other brands

?? Unwanted, old, scrap, wrecked, non-running, or damaged vehicles

?? Vehicles with mechanical issues or accident damage

?? Registered or unregistered cars

How Much Cash Can You Get for Your Car?

The price we offer depends on several factors, such as:

?? Make and model - Some brands are more in demand than others.

?? Year of manufacture - Newer cars usually get higher payouts.

?? Condition - Running cars fetch higher prices, but we also pay well for damaged vehicles.

?? Market demand - If your car's parts are valuable, you'll receive a better offer.

We ensure you get the best possible price for your car, based on a fair market evaluation.
