

## Uratech Flexi Cart CNC Tool Cart – A Versatile Storage Solution for CNC Holders

Uratech., a trusted name in CNC storage solutions, proudly introduces the **Flexi Cart CNC Tool Cart**, a highly durable and versatile cart designed to accommodate **up to 70 CNC holders**. Engineered with precision and functionality in mind, this cart is an ideal addition to workshops seeking organized and efficient tool management for various CNC holder types.

Compatible with **CAT, BT, HSK, DV, NMTB, ISO, VDI, KM, and Capto holders**, the Flexi Cart offers unmatched flexibility and practicality. It combines durable construction, smooth mobility, and easy assembly, making it a favorite choice for industrial settings.

### Key Features of the [Flexi Cart CNC Tool Cart](#)

#### 1. Capacity for 70 CNC Holders

o The Flexi Cart is designed to store **up to 70 CNC holders**, ensuring all your tools are organized and easily accessible. It accommodates a wide range of holder types, including **CAT, BT, HSK, DV, NMTB, ISO, VDI, KM, and Capto**, offering universal compatibility for various CNC machines.

#### 2. Heavy-Duty Weight Capacity

o Built to handle industrial demands, the Flexi Cart boasts a **weight capacity of up to 1400 lbs**. Its robust construction ensures the cart remains stable and durable even under heavy loads, making it suitable for high-demand environments.

#### 3. Durable Red Nylon Inserts for Holder Protection

o The cart features **durable red nylon inserts** to securely hold CNC tools and protect them from damage during storage and transport. These inserts prevent scratches and impacts, ensuring your CNC holders remain in excellent condition.

#### 4. Smooth Rolling Industrial-Grade Castors

o Equipped with **industrial-grade castors**, the Flexi Cart glides effortlessly across hard industrial floors. The smooth rolling castors make it easy to move tools and consumables across the workshop, improving workflow and efficiency.

#### 5. Convenient Consumable Storage

o The Flexi Cart includes a **bottom tray** designed to store consumables and frequently used items. This added storage space enhances its versatility, keeping essential materials organized and readily available.

#### 6. Strength and Rigidity with Reinforced Design

o To ensure strength and durability, the Flexi Cart is reinforced with a **1/8" x 1.50" L angle** on all four sides. This design provides superior structural integrity, allowing the cart to maintain stability even when fully loaded.

#### 7. Engineered for Durability

o Made from **16-gauge cold-rolled, powder-coated steel**, the Flexi Cart is built to withstand the rigors of industrial use. Its powder-coated finish offers resistance to corrosion and wear, ensuring long-lasting performance in demanding environments.

#### 8. Easy Assembly in 6 Steps

o The Flexi Cart is designed for hassle-free assembly. With just **six easy steps**, operators can set up the cart quickly, minimizing downtime and maximizing productivity.

#### 9. Ready for Same-Day Shipping

o Uratech stocks the Flexi Cart in **New York, USA**, and offers **same-day shipping** to customers in the **USA, Canada, and Mexico**. Additionally, we ship worldwide, ensuring that businesses across the globe can access this versatile tool storage solution.

### Why Choose the Flexi Cart CNC Tool Cart by Uratech?

**Universal Compatibility:** Supports up to 70 CNC holders, compatible with various holder types.

**Robust Construction:** Engineered with 16-gauge cold-rolled steel, reinforced with L angles for strength and durability.

**Smooth Mobility:** Equipped with industrial-grade castors for effortless movement across hard floors.

**Enhanced Organization:** Includes a bottom tray for storing consumables and durable nylon inserts for tool protection.

**Quick and Easy Assembly:** Assembles in six straightforward steps, allowing you to integrate it into your workflow without delays.

**Reliable Shipping:** Same-day shipping across North America and worldwide delivery ensures timely access to your cart.

### Perfect for Streamlining CNC Workflows

The Flexi Cart CNC Tool Cart is ideal for CNC operators seeking a reliable, durable, and easy-to-move storage solution. With its robust design and thoughtful features, this cart simplifies tool organization, enhances productivity, and protects valuable tools from damage.

Whether you're managing a busy workshop or optimizing a smaller CNC setup, the Flexi Cart offers the flexibility and reliability you need.

### **The Flexi Cart CNC Tool Cart by Uratech USA Inc. - Efficiency Redefined**

Designed for durability and versatility, the **Flexi Cart CNC Tool Cart** is the ultimate tool storage solution for industrial environments. Optimize your CNC operations today with Uratech's innovative cart and experience the difference in quality, organization, and efficiency.

### **Fast & Reliable Shipping Across North America & Worldwide**

At Uratech, we understand the importance of prompt and reliable delivery. We offer **same-day shipping** to customers in the **USA, Canada, and Mexico**, ensuring that your business operations remain uninterrupted.

Additionally, we provide **worldwide shipping**, allowing industries across the globe to benefit from our high-quality storage solutions.

### **Stocked in New York, USA and Ontario, Canada for Immediate Availability :**

Our warehouse in **New York, USA and Ontario, Canada** maintains an extensive inventory of [CNC](#) tool storage products. This ensures that our customers receive their orders quickly, reducing downtime and improving productivity.

**Orders from USA and Mexico will be shipped and invoiced from Uratech USA Inc, 4947 Lockport road, #3, Lockport, New York , USA 14094**  
**Orders from Canada and the rest of the world will be shipped from Uratech Tooling Technologies Inc, 142 Foamflower place, #21, Waterloo, Ontario, Canada N2V 0J1**
