

## Uratech 40 Taper CNC Tool Cart with Lockable Tool Drawers for Industrial Tool Storage

The Uratech 40 Taper CNC Tool Cart is a precision-built storage solution developed to support efficient tool management in professional machining environments. Designed for durability and functionality, this industrial CNC tool cart delivers organized, secure storage while keeping essential tooling close to the machine.

Engineered to accommodate CAT 40, BT 40, ISO 40, and NMTB 40 tool holders, the cart provides a balanced combination of structured holder storage and enclosed compartments. As a CNC tool cart with drawers, it allows machinists to store accessories such as gauges, collets, pull studs, and setup tools without cluttering the workspace. This design helps streamline workflows and reduces unnecessary tool movement.

The integrated lockable [tool drawers](#) are built with smooth-glide ball-bearing slides, ensuring reliable performance even when fully loaded. A secure locking mechanism protects valuable tools, making this unit a dependable lockable CNC tool storage cart for shared machine shops and production floors. The drawer layout also supports better tool visibility, improving day-to-day efficiency.

Mobility is a key advantage of this system. Heavy-duty casters enable easy repositioning, allowing the mobile CNC tool storage cart to move seamlessly between workstations. For operations seeking a practical [40 taper tool holder](#) that combines mobility, security, and industrial strength, Uratech offers a reliable solution. Built to support modern CNC workflows, this cart enhances tool organization while maintaining the durability required for demanding manufacturing environments.

### Key Feature Points

- Heavy-duty industrial CNC tool cart designed for machine shop environments
- Integrated lockable tool drawers for secure storage of CNC accessories
- Optimized CNC tool cart with drawers for efficient tool organization
- Smooth ball-bearing drawer slides for reliable daily operation
- Secure locking system for secure tool drawers in shared work areas
- Durable steel construction with long-lasting powder-coated finish
- Heavy-duty casters for a stable mobile CNC tool storage cart

### Fast & Reliable Shipping Across North America & Worldwide
