

## Uratech ER16 Collet Rack – CNC Collet Storage for ER, DR & RD 16 Series

The Uratech ER16 collet rack is a premium storage solution designed for CNC shops, toolrooms, and machining enthusiasts who demand organized and efficient collet management. This steel collet rack for CNC provides a reliable home for ER, DR, and RD 16 series collets, ensuring they remain secure, protected, and easily accessible.

Perfect for ER 16 collet storage, this rack accommodates a variety of collet types and sizes, offering clear labeling and a practical layout that prevents errors during tool changes. With this ER/DR/RD 16 collet rack, you can quickly locate the right collet for your application without sifting through cluttered drawers or cabinets. The 16 series collet holder is thoughtfully designed to maximize bench-top or cabinet space while keeping your tools neatly organized.

Constructed from heavy-duty steel, this CNC collet storage rack delivers durability and longevity even in demanding industrial environments. Its robust frame ensures stability, while the powder-coated finish protects against rust, wear, and damage. For shops seeking reliable steel collet rack for CNC solutions, the Uratech ER16 collet rack combines functionality, durability, and ease of use in a compact design.

### Key Features

**Universal Compatibility:** Designed to hold ER, DR, and RD 16 series collets.

**Durable Steel Construction:** High-quality steel with powder-coated finish ensures long-lasting performance.

**Organized Storage:** Clearly labeled slots for quick identification and retrieval of collets.

**Space-Saving Design:** Fits on workbenches, cabinets, or carts, optimizing shop space.

**Versatile Usage:** Ideal for professional CNC shops, hobbyists, or toolrooms.

**Enhanced Workflow Efficiency:** Reduces setup errors and saves time during tool changes.

**Complete Collet Solution:** Perfect for [er 16 collet holder](#), [ER 16 collet storage](#), [CNC collet rack](#), [ER/DR/RD 16 collet rack](#), [16 series collet holder](#), [CNC collet storage rack](#), and [steel collet rack for CNC](#) needs.

Whether you are upgrading your current storage system or establishing a new CNC workstation, this [CNC collet rack](#) is an essential addition to any shop. It helps protect your collets, saves space, and maintains an organized workspace, ensuring you can focus on machining rather than tool management.
